Rehearsal Order subject to change if we do not have our retreat.

### Rehearsal Order:

1. I Will Lift Up Mine Eyes-not a particularly difficult piece, but several meter changes, with a lot of time singing in 7/4 time. Irregular yes, but not nearly as fast as the Gloria from our holiday program.
2. Hark I Hear the Harps Eternal. Refer to previous rehearsal notes for voice parts on youtube. Harmonically, this is straight forward, but there are some tricky rhythms that must be very precise.
3. And I Saw a New Heaven-We will try to complete our initial read through of this piece. Listen to this again.
4. Requiem-Sanctus-This movement is overflowing with musical wonders. Holy, holy, holy, Lord God of Sabaoth. Heaven and earth are full of Thy glory. Hosanna in the highest. (We have these words in The Ground as well).
5. Brahms-How Lovely Are Thy Dwellings-pp. 8-11. If time permits we will sing through all.
6. Deep River
