OTHER SPECIAL SKILLS

*The success of the Choral Society depends on our musical performance and also on **each member's participation in fundraising events and the selling of concert tickets**. The wardrobe (vest and tie for men and gown for women) is property of MCCS and must not be permanently altered. The assigned wardrobe is issued for the duration of the entire membership period but must be returned, in good condition, upon departure from the group. The music that is received is also on loan, and it is understood that if lost or destroyed, any replacement will be at the member's expense. I fully support and understand the needs of MCCS, and I hereby commit to uphold these rules.*
